### Please read the following carefully:

I declare that the information that I have provided in this application is true and correct. I understand that if any information herein is found to be false, that: 1) My application may be refused, and that 2) if a pet has already been adopted, that said pet may be relinquished to Paws Rescue without refund of the adoption donation.

I agree that although all pets are medically examined and treated before placement, and are evaluated for personality, and every effort is made to match an appropriate pet with each home, no guarantees are expressed or implied as to the personality or medical soundness of any pet by Paws Rescue, its officers, or its members. I agree to accept the pet "as is" and understand that the adoption donation is non-refundable.

I understand that home checks are made on a random basis prior to and following adoptions. I specifically give Paws Rescue permission to perform a home check, as they deem necessary, at a time of mutual agreement.

I understand and agree that any material and substantial breach of this agreement shall entitle Paws Rescue to take possession of the pet with or without notice. If, in the opinion of Paws Rescue or its representative, conditions warrant removal of the pet from the home, Paws Rescue retains the right to remove the animal from the premises without refund of any monies paid. This agreement shall be binding upon any party in whose possession the pet shall be found.
