### **August's Statistics**

Paws neutered or spayed 9 animals in August. It was slow month for adoptions, we had four adoptions. In addition to our adoptions, Paws also help reunite a blue heeler and husky with their families. Remember to make sure your animals have proper identification. We took in four animals. Check out our newest sweethearts and Pet of the Month, Fraiser, at [www.pawsrescuepets.org](http://www.pawsrescuepets.org).

### **Happy Tails!!!**

Our Happy Tails for July is Chloe! I hope everyone saw the letter to the editor about Chloe, who was an abandoned in the road in front of a good Samaritan. She chased the SUV after she was dumped, hoping they would stop to pick her up. She got the help she needed from Paws and after a short stint as a foster, she is so much better off. She has wonderful new family and they could not be happier together.

Sincerely, Alissa
